Volume XXXII

I have asked for
anything
from you.

My great big
Sweetheart

Brood
Have more

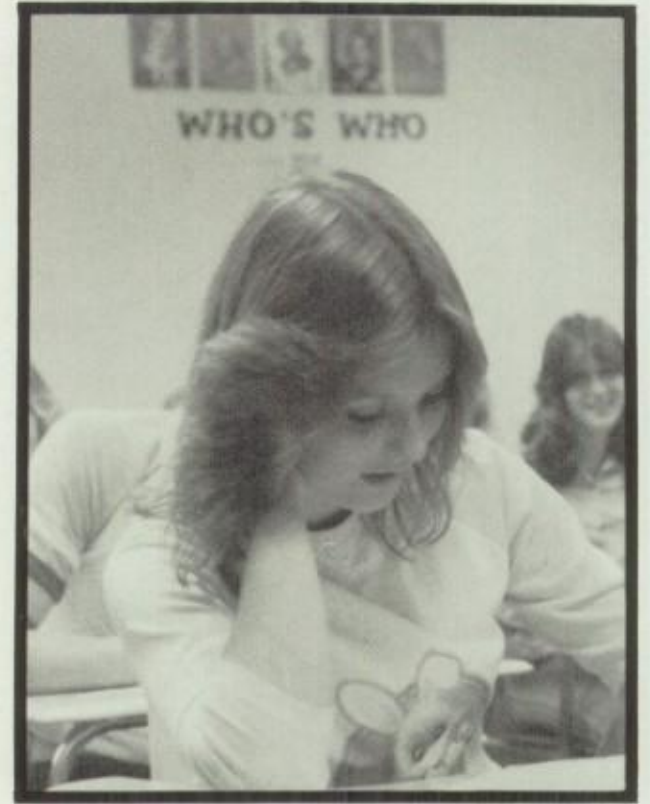

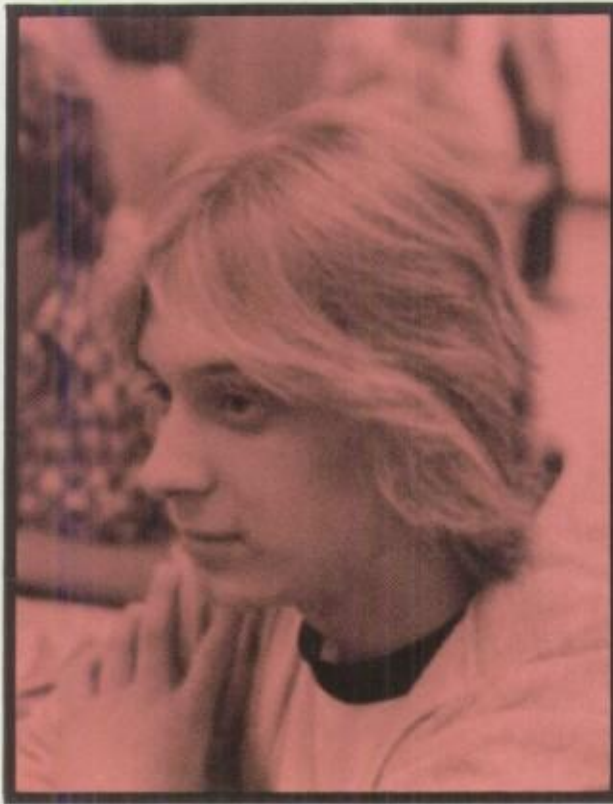

Glories past

are now but shadows

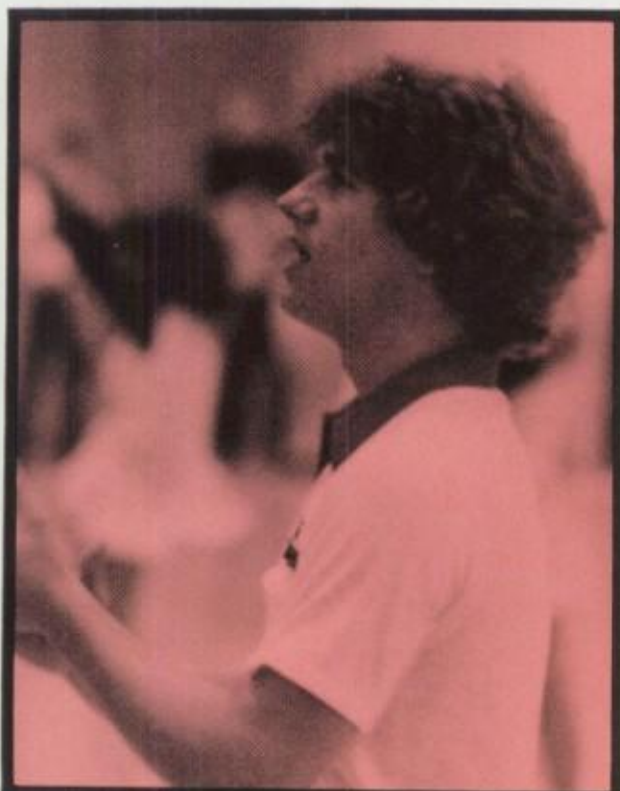

of the greatness

they once were;

Treasures of the heart

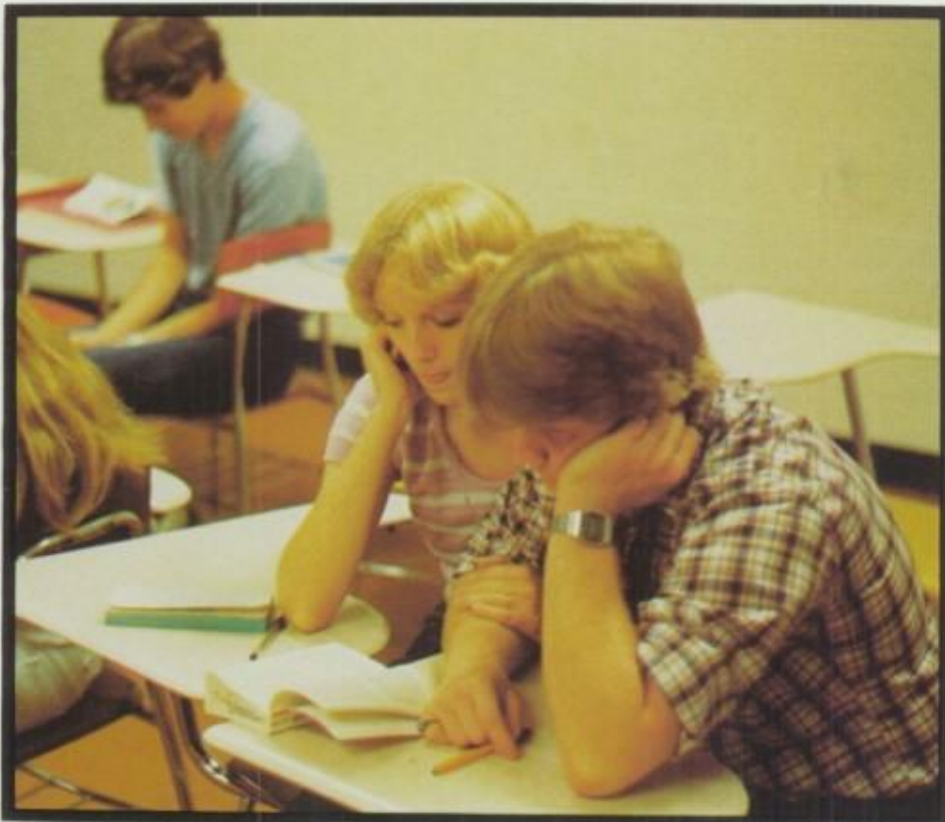

and remembered,

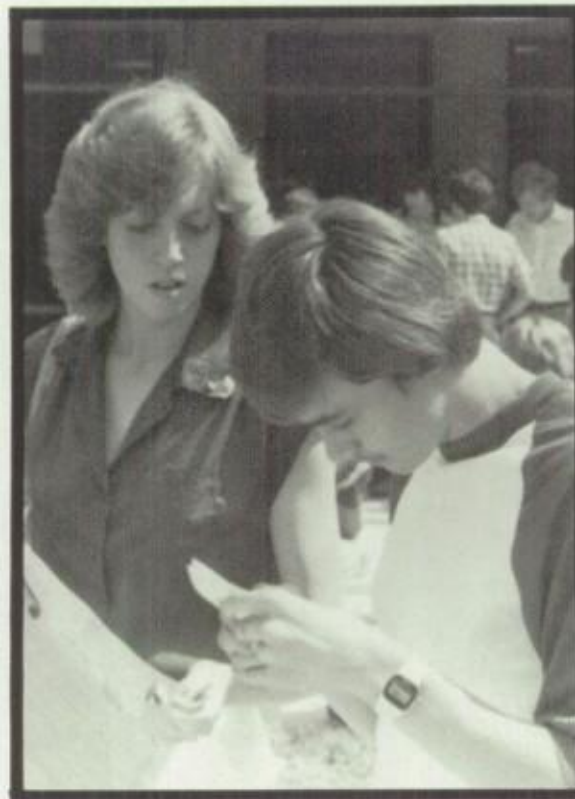

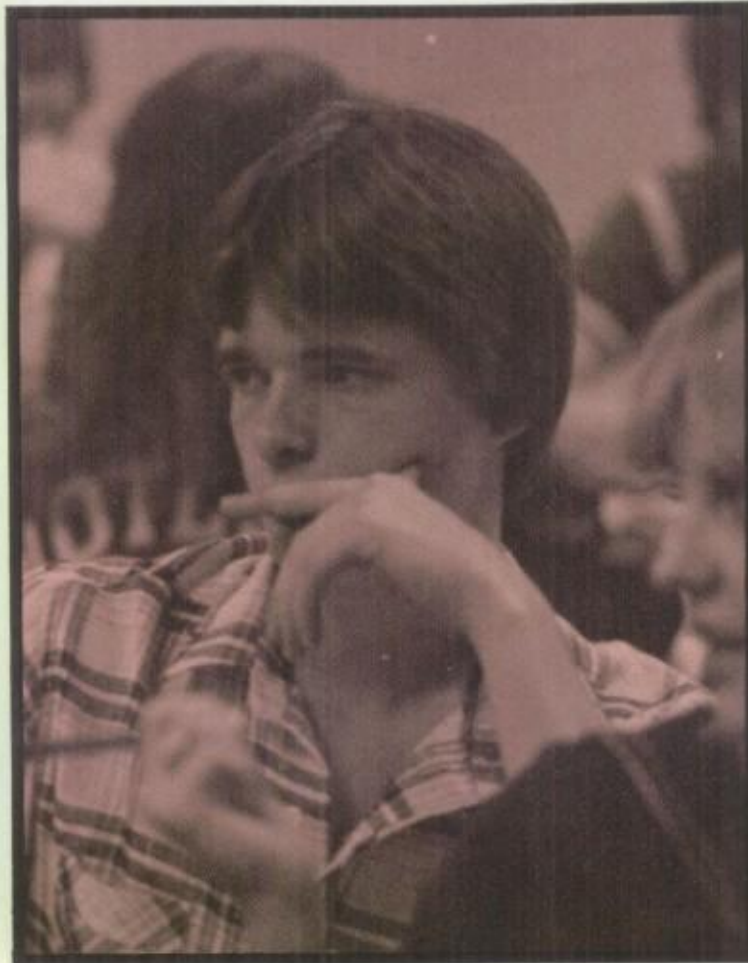

must be cherished

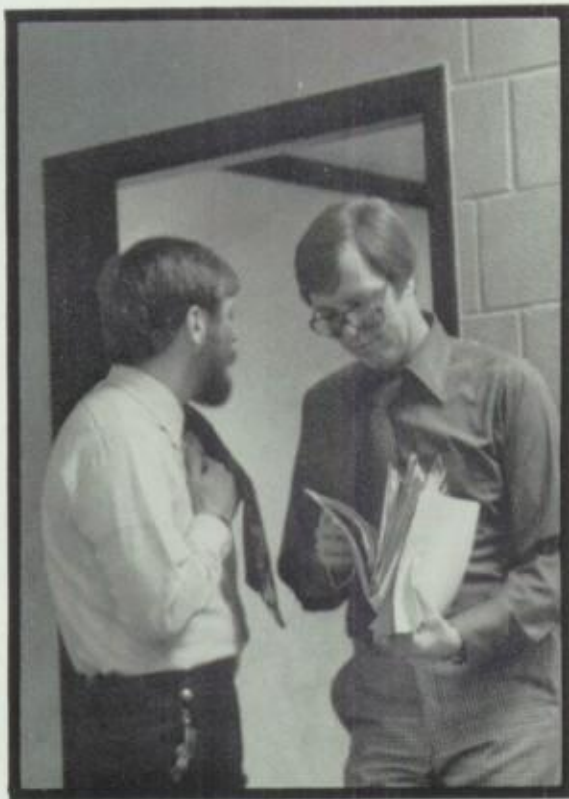

more meaningful than
gifts

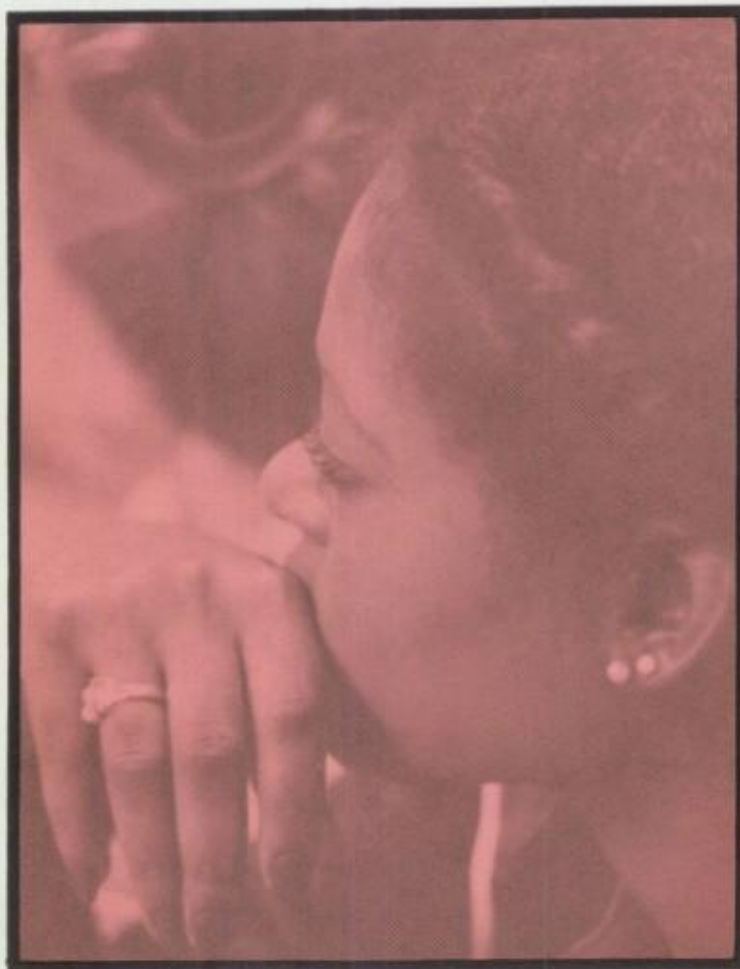

for the
memories

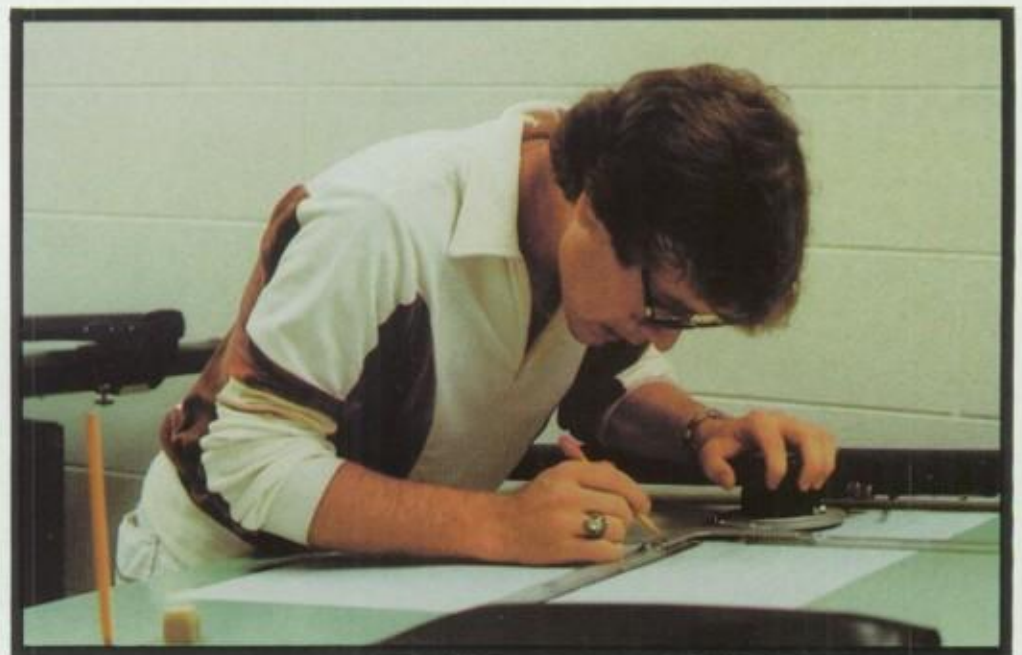

they stir.

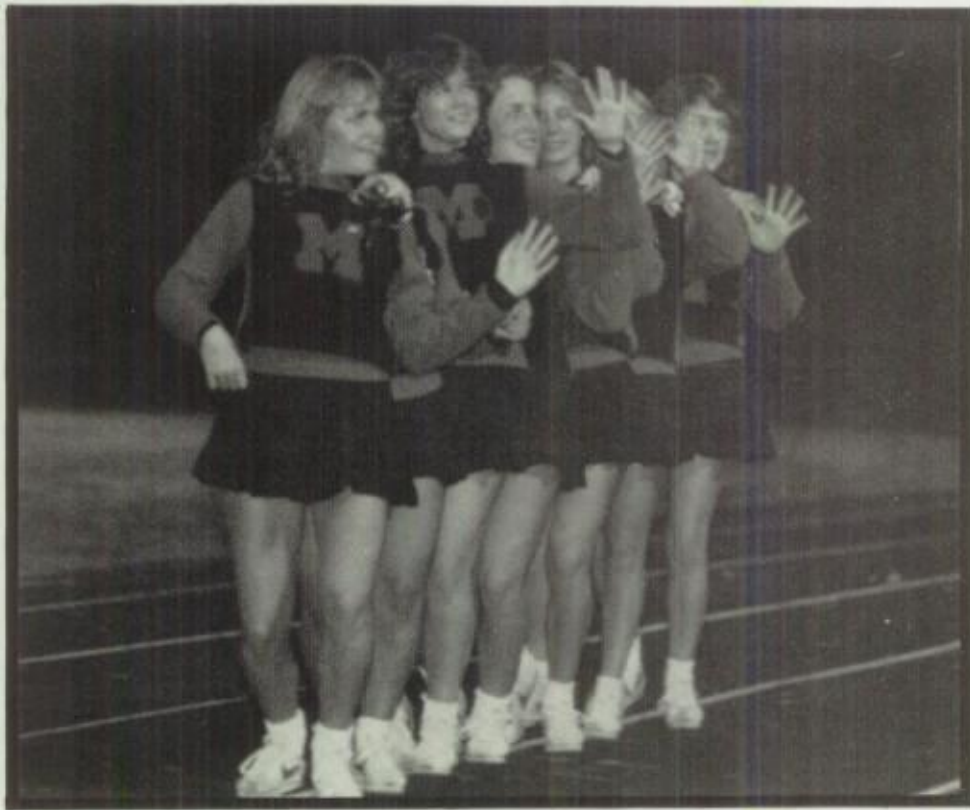

Let us not forget

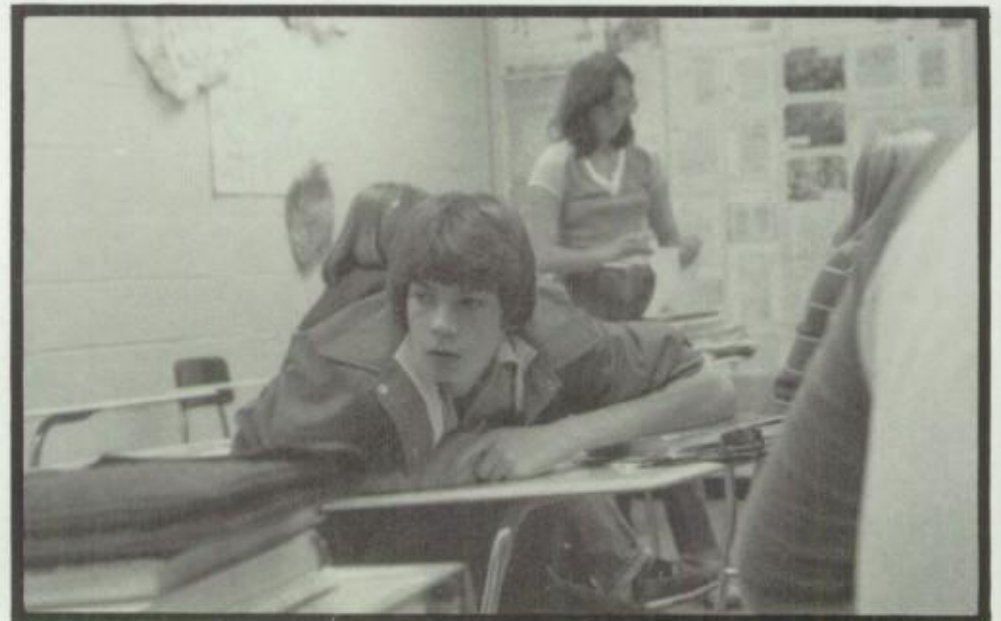

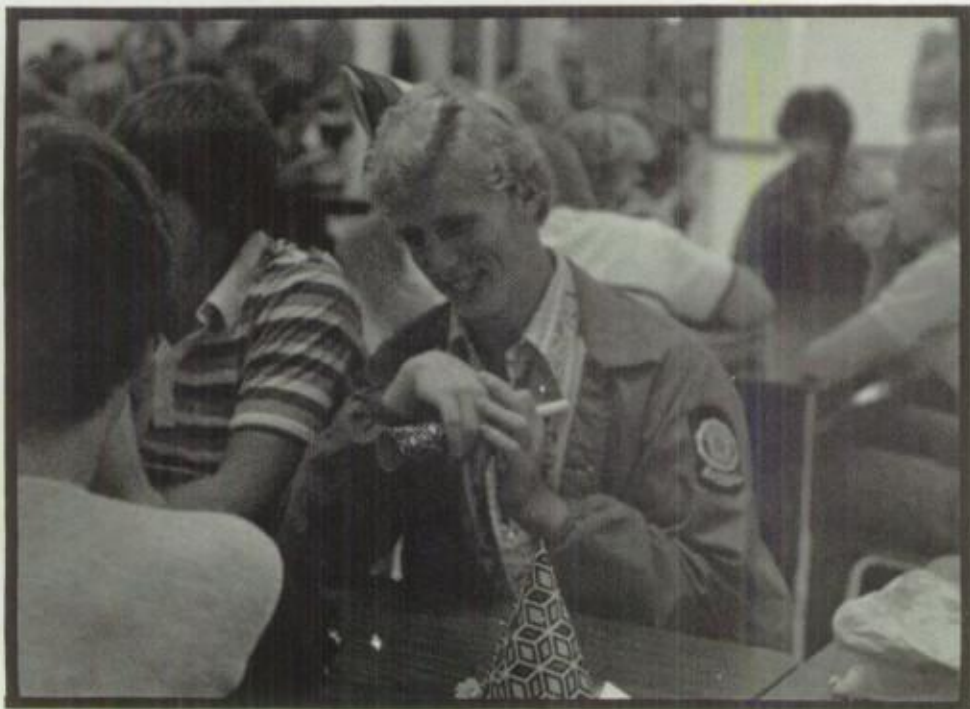

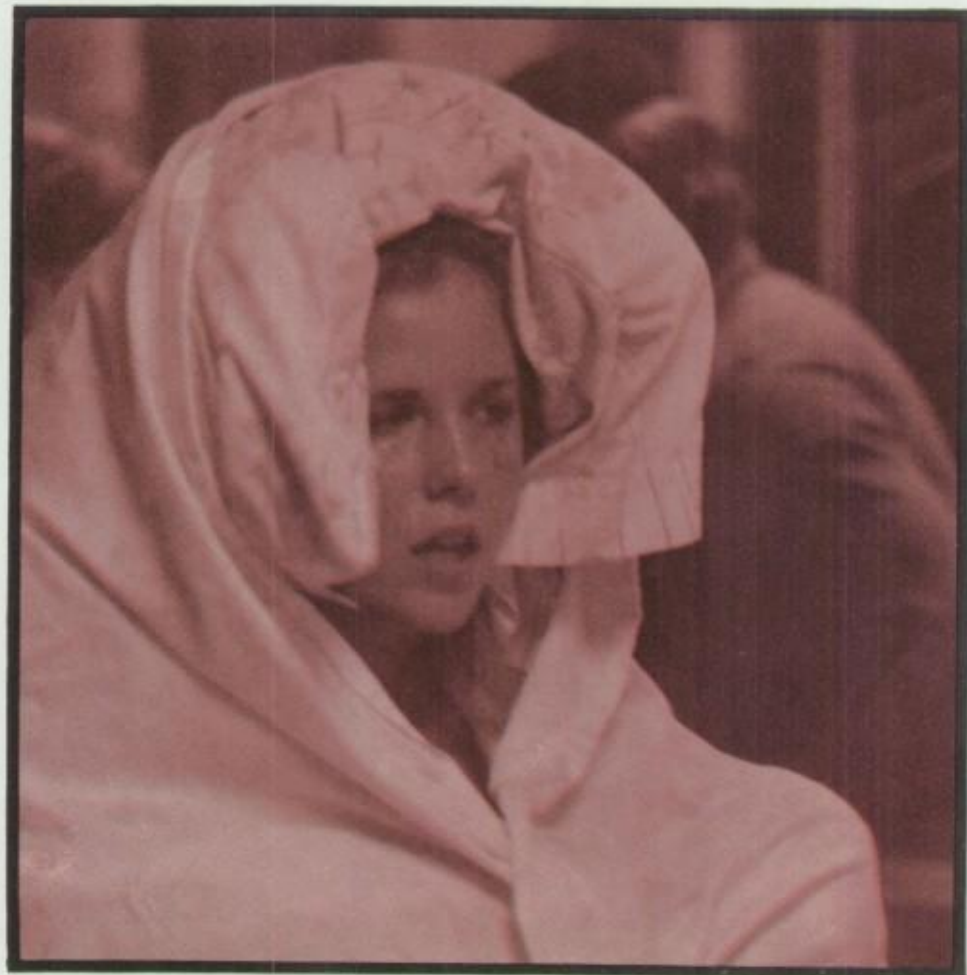

past glories, but
rather;

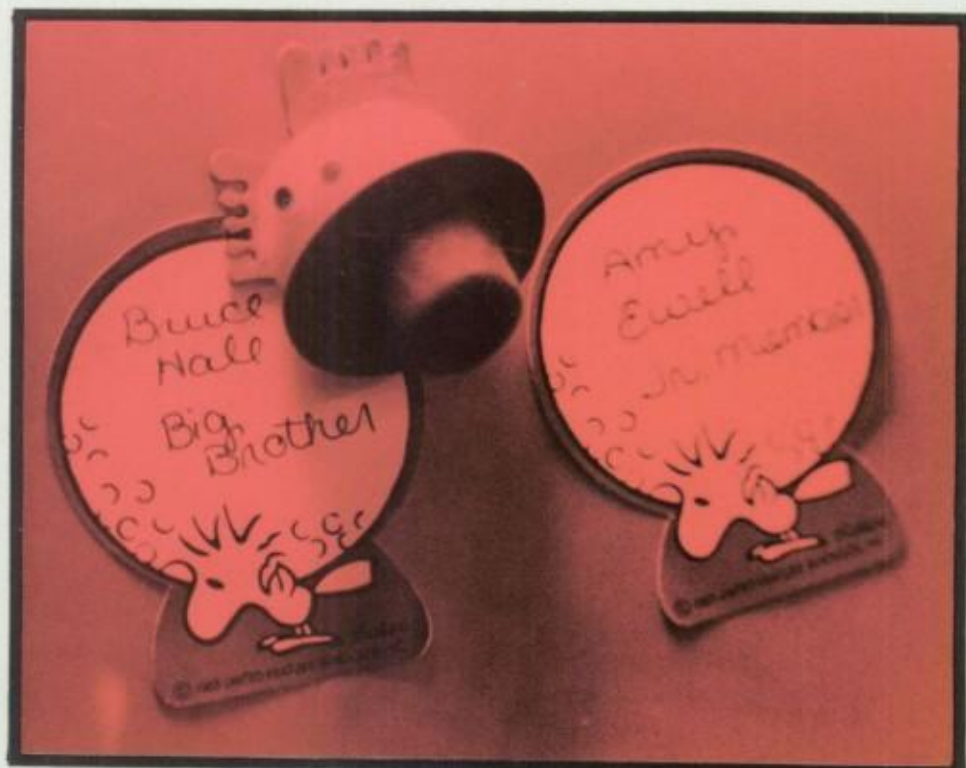

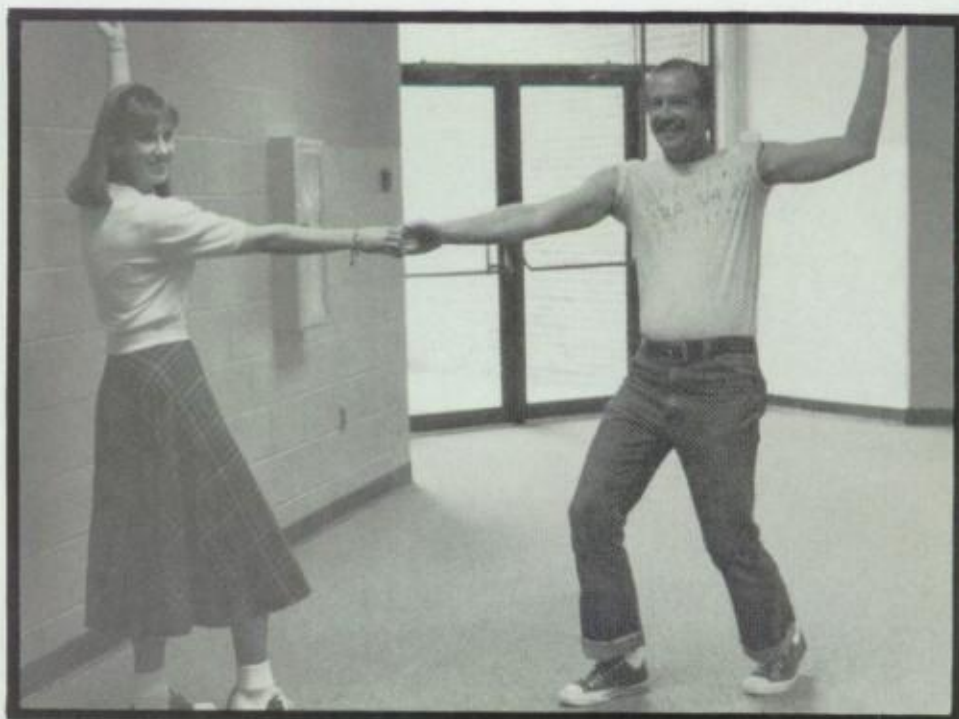

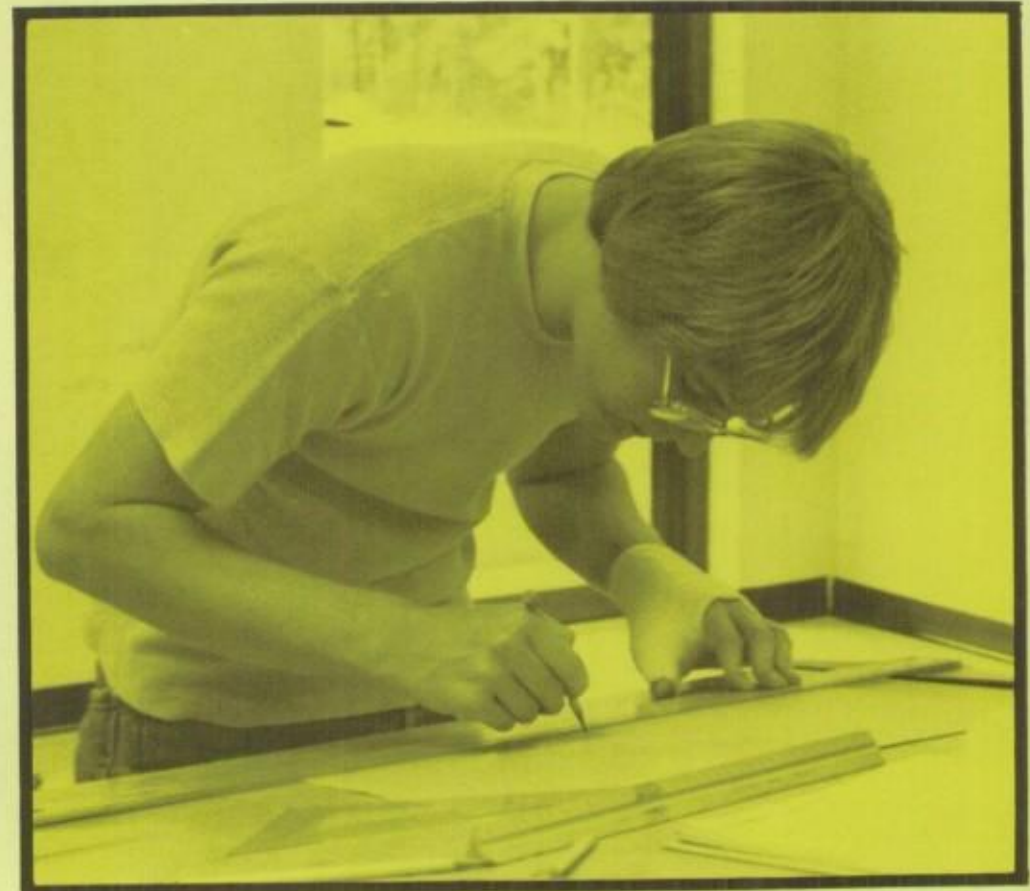

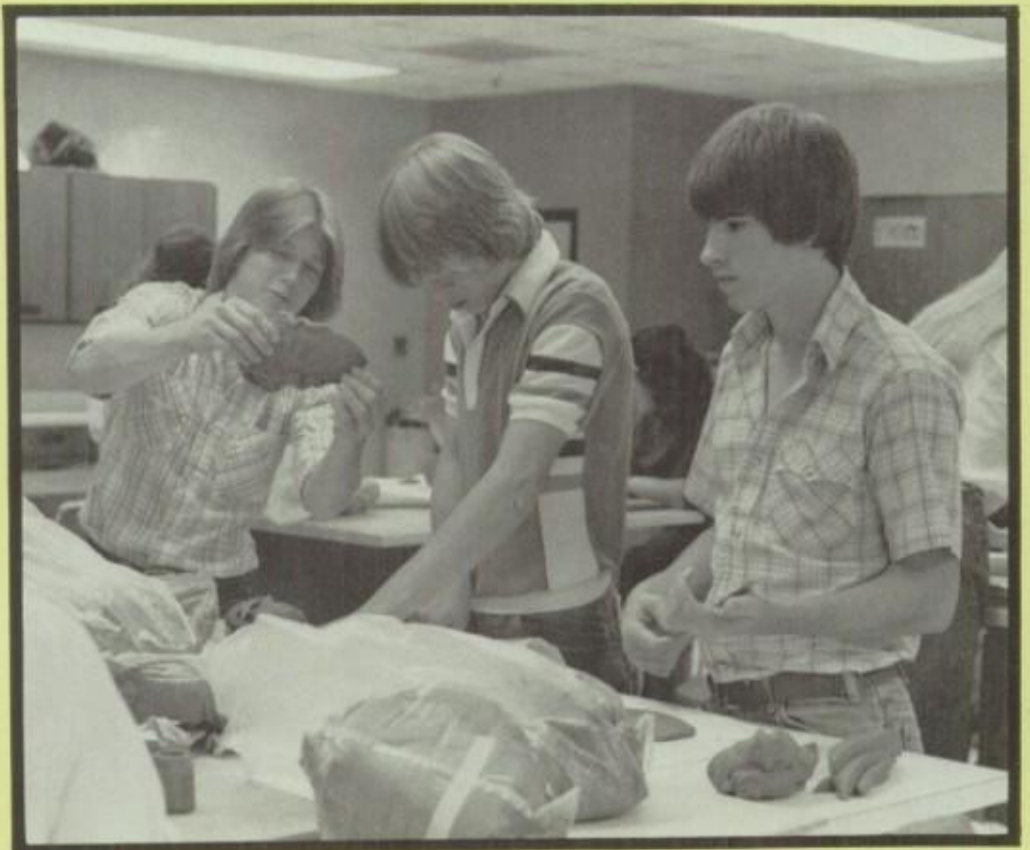

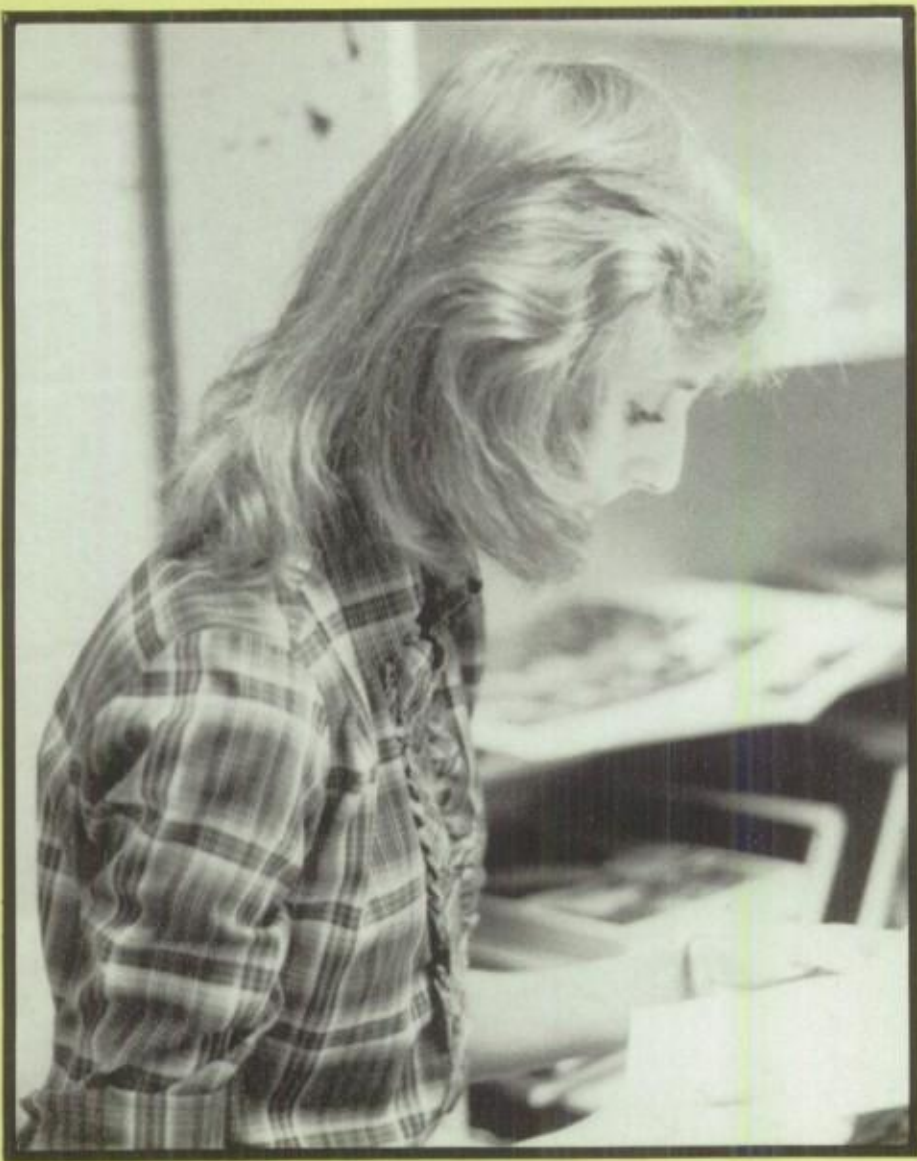

let them move
us

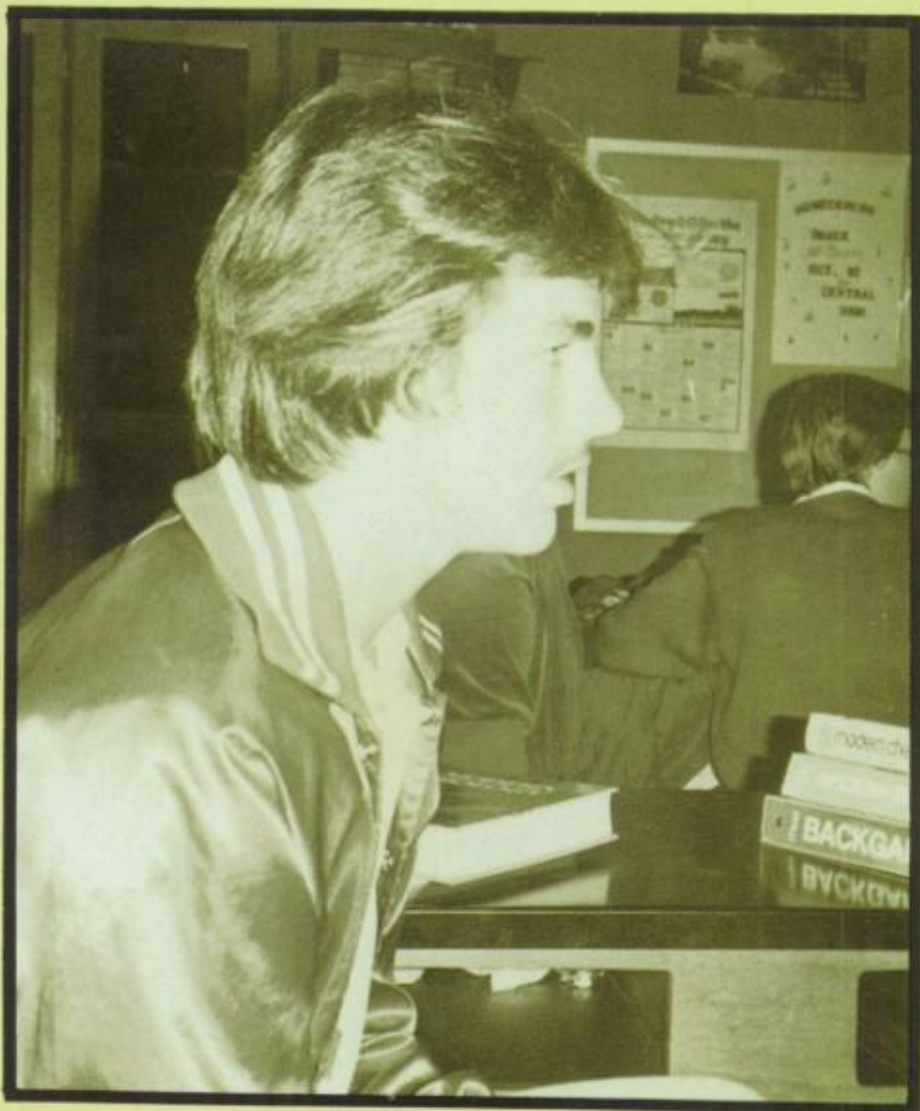

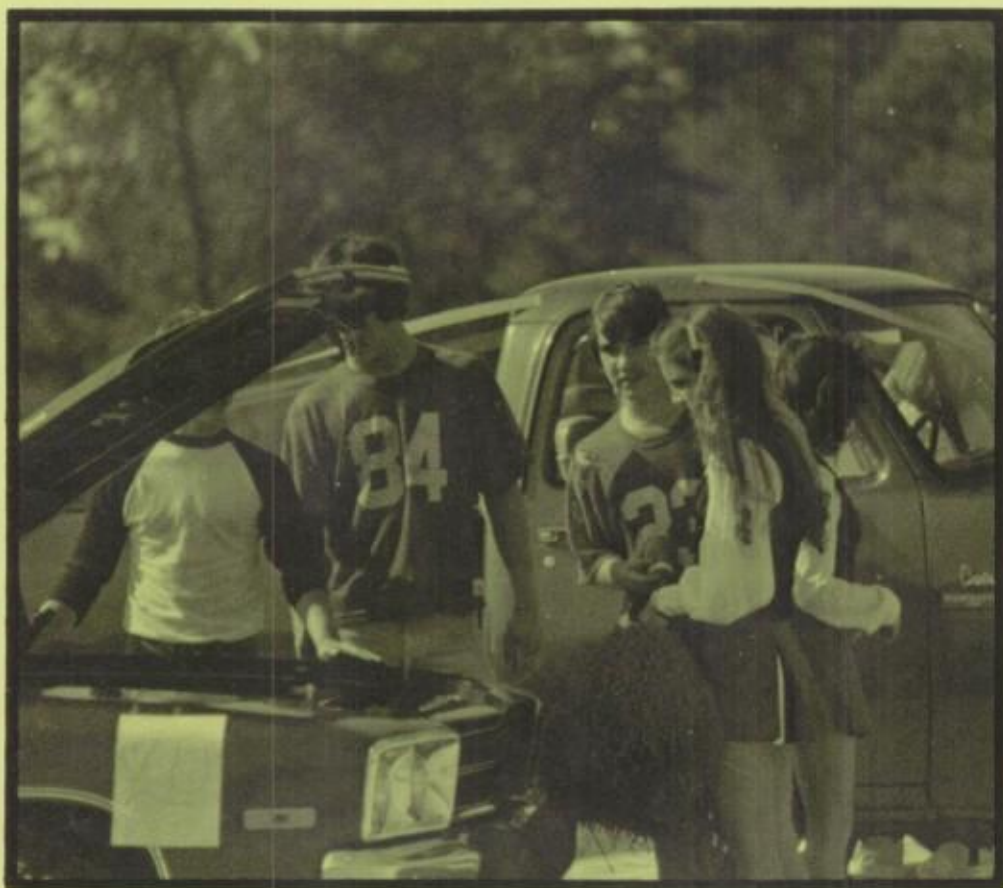

toward new
horizons,

**beyond
tomorrow**

**and to new
glories.**

Brian

We got our brand new jerseys;
Coach passed them out today.
When there was one left over,
There were no words to say.

We knew who wore the number;
No one had to say your name.
Neither did we need reminding
That our team was not the same.

Perhaps you can see us playing
The game you loved so well,
And can feel how much we miss you
More than words can ever tell.

Brad,
I'm so glad that we got to know each other better this
year! Spanish wouldn't have been the same without you Jose!
After she moved us and we got to sit by each other you became
a great friend. By the way thanks for all the free advice,
that you gave me, and of course all of the good times that
we had. Thanks for everything. Remember all of the Spanish
movies and remember that extra that me and you got to
see, it was a little bit better than those Spanish
ones!! You are a great guy and I hope that
you never change! Always remember me, cause I'll
never forget you! I wish you all the luck
in everything that you do. I hope we can
always be good friends. Be Good and Take Care
at old CFS. when all of the Seniors are gone!!
Have a great summer and a great year as a
Senior next year!
(Oh vici)

Love Ya
Always,
Tom Thomas

It seemed like a long season. The last three seasons seemed long. Years contained more than their fair share of frustration, pain, and discouragement and were filled with endless hours of blood, sweat, and tears. The location varied from rocky, dusty practice fields to long, lonely bus rides back home. But along with the agony of defeat came the glorious thrill of victory. That feeling remains, and this we remember and will cherish forever. Through it all, one man stood with us, laughed with us, and cried with us. That man is Coach L.E. Oakley. He rejoiced with us in victory, and in defeat he was always there with an encouraging word, a bit of advice, and a pat on the back. The victory he gave to us; the defeat he took for himself. He showed us that the game of football is like the game of life—that no matter how many times we are knocked down, we must get back on our feet. He never gave up on us, and he taught us never to give up on ourselves. He did not need words to gain our respect; he was as forceful in his silence as he was in his pep talks. He gained our respect through his spirit, his determination, his courage, and his love and respect for every one of us. He was our coach, our father, and our friend, but most importantly of all, he was one of us. We hope that on the night of November 7, 1980, we paid him back. Coach Oakley, that one was for you!

COFFEE POT GAME

On Friday, November 7, 1980, the football team along with the faculty and student body rallied around one cause—to return the Coffee Pot to Manchester. During the pep rally, a challenge from Tullahoma was presented to the students. A challenge for victory was then presented by Mr. Fischer. After an enthusiastic pep rally, the team set out for Tullahoma. At the close of the game, the score was Manchester 14-Tullahoma ZIP!!!! The entire team, coaching staff, student body, and faculty were responsible in their own way for the victory.

SPECIAL OLYMPICS

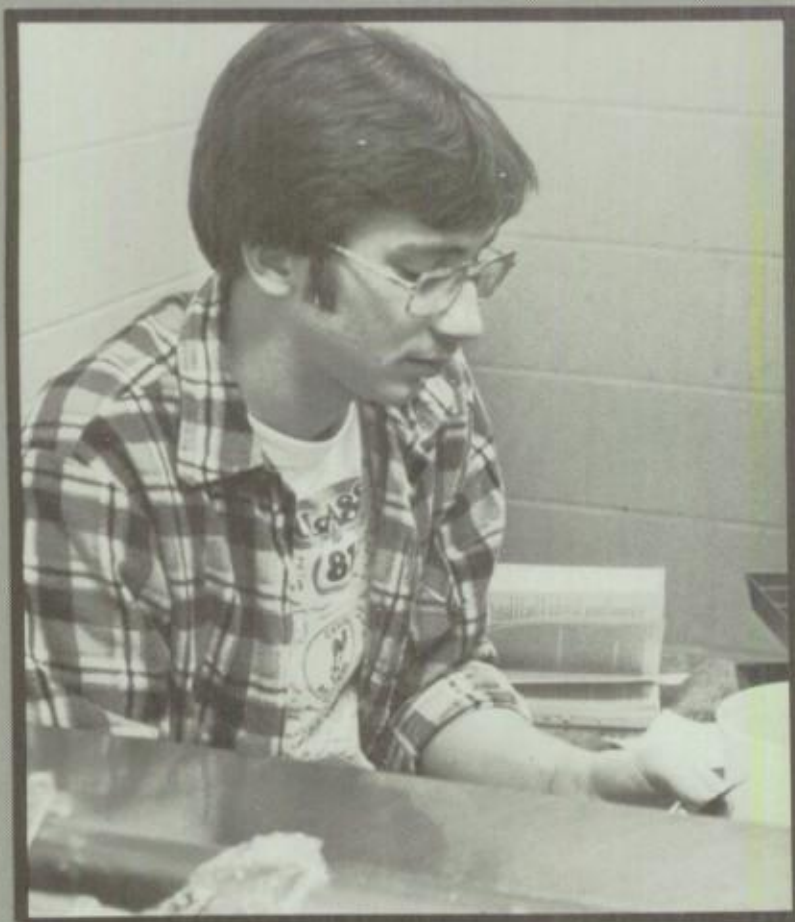

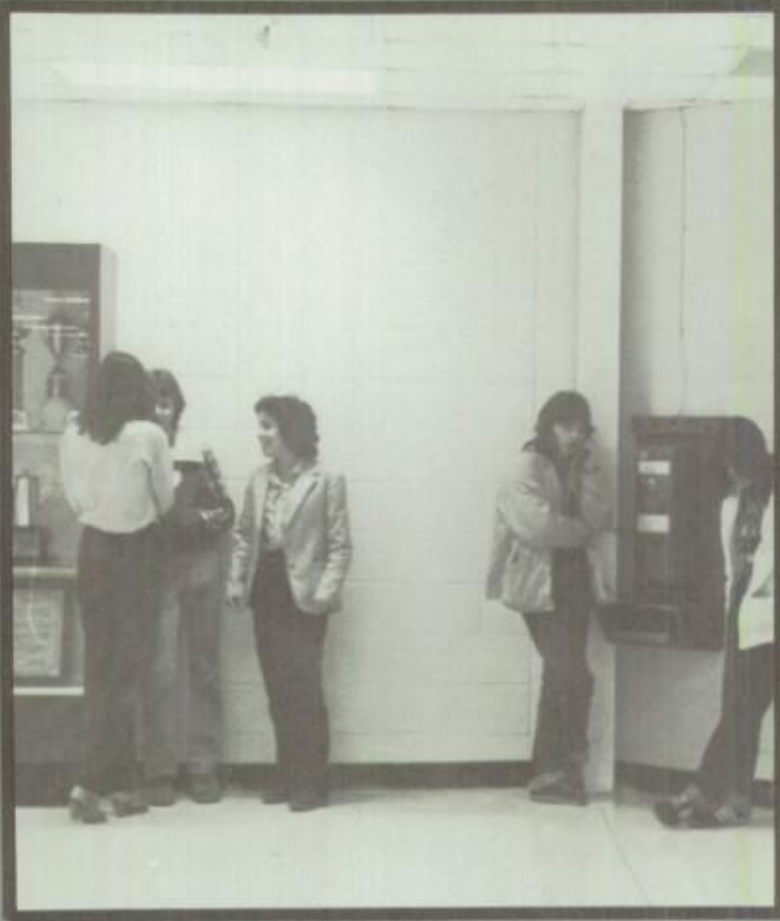

The Special Olympics were organized in 1968 by the Joseph P. Kennedy, Jr. Foundation to provide opportunities for those students whose abilities will not allow them to participate in regular school sports. Special Olympics give each athlete an opportunity to participate in a variety of sports and games on local, state, regional, national and international levels, both in individual and team competition. Special Olympics games provide never-to-be-forgotten memories for all who participate. It is here that each athlete learns the worth of accomplishment on his own level and ability.

Central High's Special Olympics programs include Bowling, Field and Track, Swimming, Basketball, Gymnastics and Art Competition. These athletes have displayed a spirit of courage and determination that has helped each to overcome all labels that have been imposed upon them.

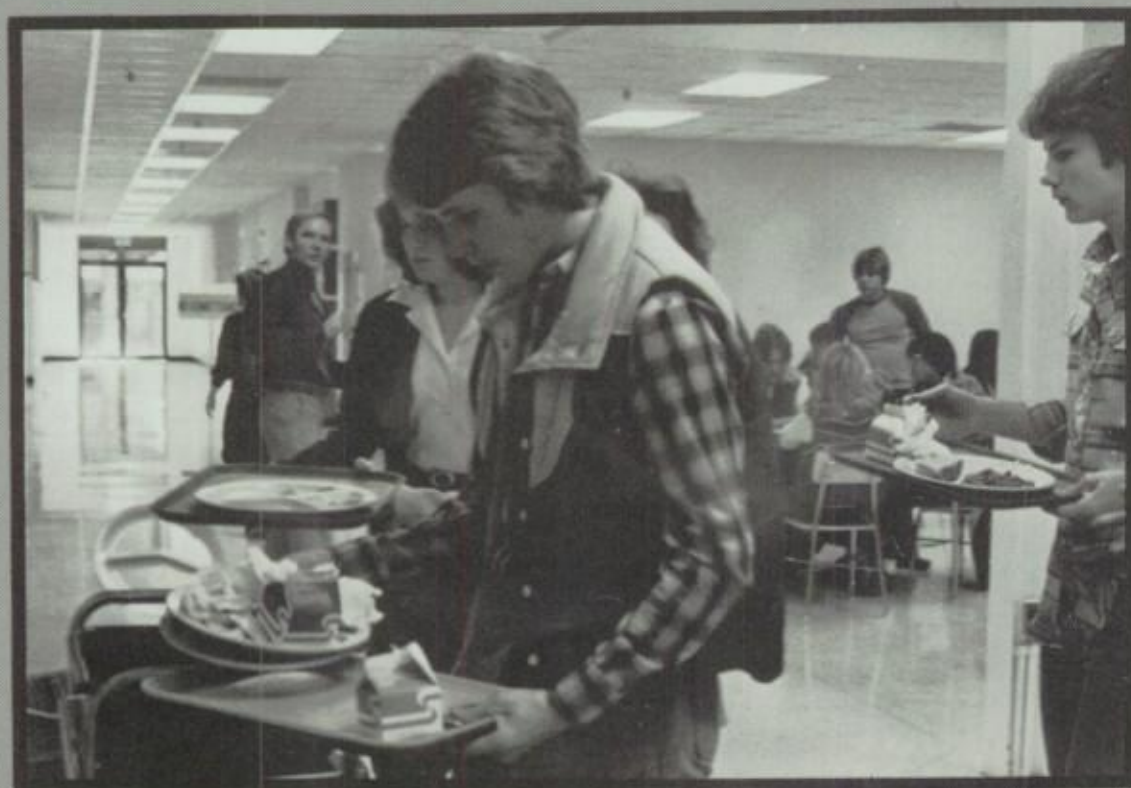

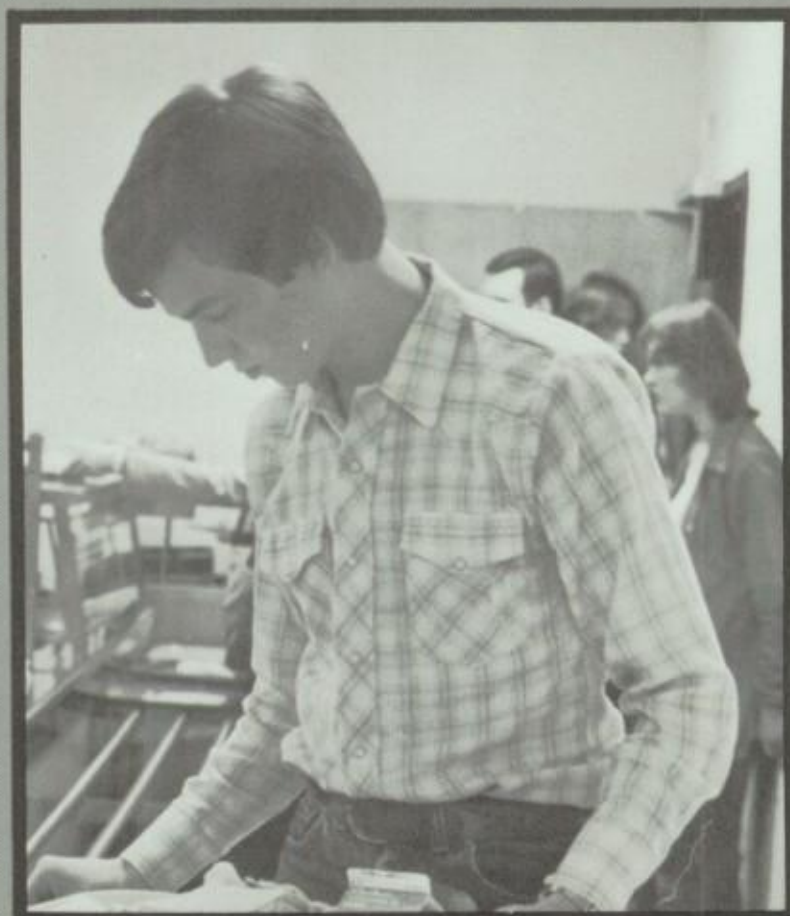

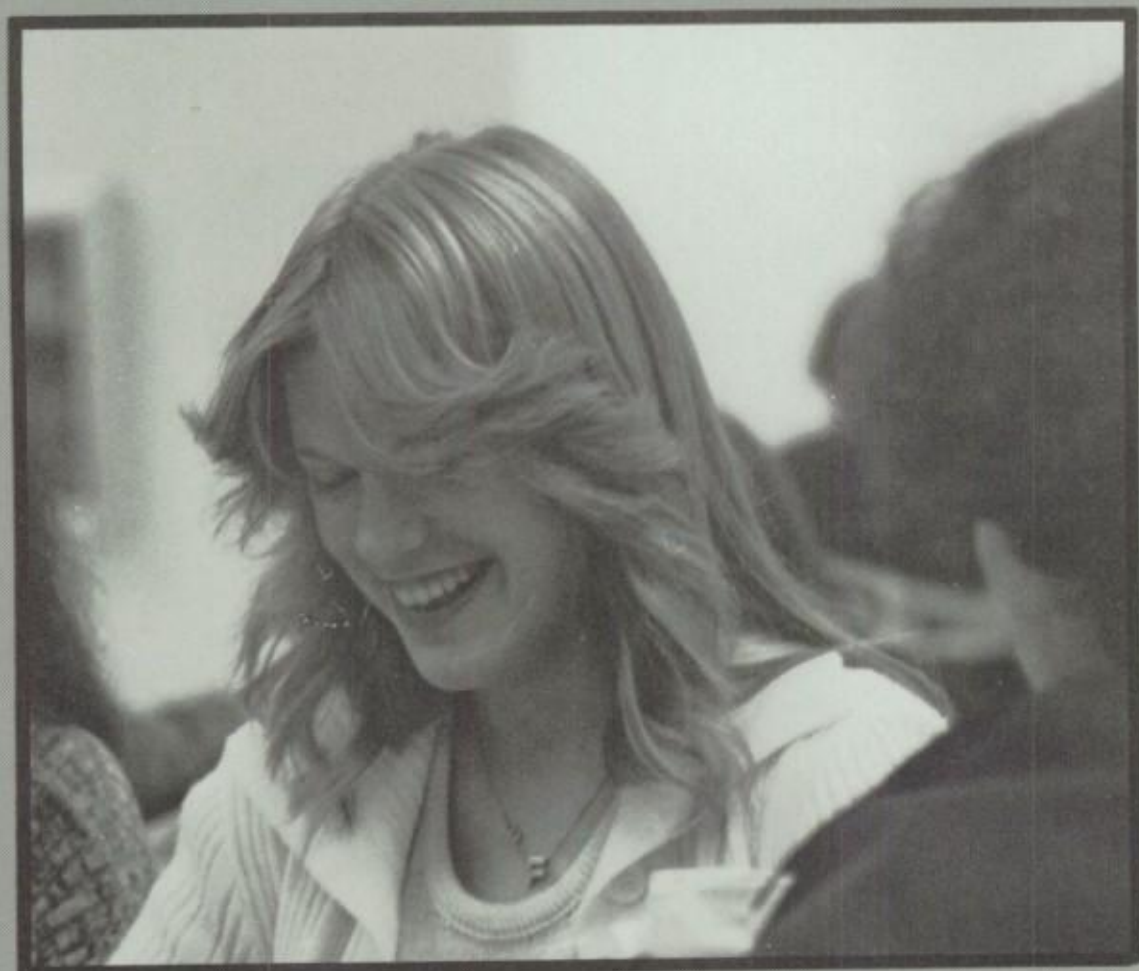

BOWLING-Row 1 J. Jones, S. Norman; Row 2 L. Hale, R. Messick, L. Hayes, M. Stacey, T. Robinson, A. Hale.

Bradley,

This is really going to be
tough - I really don't know what to say.
This year has been a real doozy. I just don't
know what to think about it other than I'm
glad Summer's almost here. It's been a tough
situation between us this year - I guess it still
is. It's just the type of thing you have to
get used to or ignore. I hope next year things
will be better and we can really be friends.
I want you to know that if you ever need to
talk - you know where I am (and my phone number) -
I hope you'll take advantage of that if you
need to. You're a really nice guy and I hope
things go your way. I've told you before -
if you want something bad enough you
can get it. Well, I guess there's not much
else I can say. I hope I see you this
summer - and next year. I hate to think that
after next year we might not see each
other. Good luck in everything you do and
please be careful.

Love,

Kico

Yearbook (yir-book') n. a book published yearly; specifically (a) a book giving statistics and data of the preceeding year (b) same as annual.

This definition we sincerely hope does not totally describe what this book means to you as its owner. To us, the **Raider Staff**, it represents the culmination of a year of hard work. Compensating the hard work have been the many hours of camaraderie we have shared and the help we have received from others. We wish to thank Ron Bingham for his assistance with photography, Jimmy Jones for his artistic advice, and Clint Cooper of the **Chattanooga News-Free Press** for his invaluable picture of a champion. We also thank our advertisers and contributing Camera Club members. Most importantly to our success has been the response of the student body. Without your support we could not have the quality of yearbook that we have.

Brad,
I don't know where to start, I have so much to say.
well, I guess the best thing to say is thank brother, I couldn't
have ever made it without you! I'd hate to know what my
life would be like if you weren't a part of it! When I might
let us all down you were there for me to talk to, and I
really appreciate it, probably more than you'll ever know. Brad,
you know that you are a part of my family, and I feel
the same if I am a part of yours too. I don't believe I've ever met
any family to even compare to yours. They make me feel
like I belong, (ex. Church) and I love them for it. You know that
I'm always here when you have something on your mind, I'll
listen, don't ever hesitate! Next year will be a blast in 1st and 2nd
I can't wait! I don't know how to thank you for helping me
with Clark. I knew all along that you were right, and I've
found that out, now, but now is too late, thank for trying to
talk to this "stubborn Keele", you work around a whole house of the
I really do enjoy the summers with you, you are always smiling
and happy, never in a bad mood. This summer will be a blast
with our pool, you know that you are welcome "anytime". I see
you as a farmer in the years to come, and I believe you can do it,
Brad you are smart and got a good head ~~on~~ on your shoulders, and I
have faith in you. well, I'm running out of room. You know I
love ya' brother and I "always" will! Please don't forget me
take care. Good Luck with Penny.

Brad,

I've enjoyed having agriculture
with you. You are a great person
for a president. I'm sorry I
won't be in there next fall.
Good Luck with whatever you

Brad,

I'm glad we were
able to have classes
and homeroom together.
You are so sweet and
fun to be around. It
was especially fun in
Chemistry. You're the
best lab partner a person
could have. (However, you need to
work on your test tube cleaning.)

Love ya,
Gandy

Brad,

I'm glad we were
in homeroom together.
You are a really sweet
guy. Maybe I will
see you this summer.
Good Luck.
